Pourakarmika strike raises stink in city

- Waste piles up on road sides
- CM holding conciliatory meeting

Overflowing garbage bins on Sayyaji Rao Road.

Mysuru, July 4 (PM&BCT)- If you are wondering why most parts of Mysuru city are stinking with mounds of garbage on the streets and garbage bins, the simple reason is that the Pourakarmikas are on an indefinite strike.

Garbage has been piling up as the indefinite Statewide strike by contract sanitation workers, who are seeking regularisation of their services among other demands, entered the fourth day today.

Though the Mysuru City Corporation (MCC) pressed some of its regular Pourakarmikas and vehicles to collect solid waste in the last two days, their number is too less when compared to the amount of waste generated in the city. There are over 2,600 Pourakarmikas in the MCC and of them, only 530 are on the MCC rolls.

The city generates over 280 tonnes of garbage daily. Heaps of garbage at the inside and outer areas of Devaraja Market, K.R. Circle, Vani Vilas Market, Boti Bazaar and other markets are posing a health risk along with the garbage piled up in the residential localities.

EDITOR'S BOTTOMLINE

Academically brilliant students are often trained to think in a linear or vertical manner from the immediate perspective of performance in exams. This is no less than a monomania. Such spoon-fed 'brilliant' students often fail to develop their lateral faculties and multi-directional thought-process. In a way, their intelligence becomes mono-track, and may fail to develop fundamental pragmatism for mere survival. We must concede that the routine pattern of education, based on exam-performance, is passe. It has been a nemesis for many youngsters for many years. Every year, many youngsters commit suicide following their 'not-so-good' performance in board exams. Our thinking needs a complete jolt and revamp.

Remember, there's never a hell and heaven difference in intelligence in two individuals. It all depends upon how one applies his mind. That's the key to success not only in exams but in all exams of life that are much more important. In a lighter vein, academically not-so-brilliant students can draw some kind of a vicarious empathy from the fact that Einstein, Edison, Tagore, the polymath Rahul Sankrityayan, Bill Gates, Steve Jobs and many other distinguished names didn't acquire conventional formal education but they all reached the apogee of excellence in their chosen spheres.

Search on for owner of mystery pig

Tennessee: Authorities in Tennessee said they are trying to find the owner of a 300-pound mystery pig spotted wandering loose and damaging property. The Carter County Sheriff's Office said in a Facebook post that the sow has been wandering for days in the Judge Ben Allen Road area, and no owners have yet come forward to claim the 300-pound animal. The pig has been helping itself to plants on neighbours' properties.

Shannon Posada, Director of the Elizabethton/Carter County Animal Shelter, said officials are hoping an owner comes forward soon, because the county does not have the proper equipment to capture or house the pig. "We have no way to transport a 300-pound pig, we have nowhere to put a 300-pound pig safely. Unless we ask for a foster, and we're happy to ask for a foster, but still we have no way of transportation for that large of an animal," he added.

Devaraja Market and Lansdowne building are beyond renovation

Sir,

In yesterday's *Star of Mysore*, a news item titled ***'Two buildings to be originally renovated'*** with a suggestion that on similar lines, Devaraja Market and Lansdowne building can also be renovated was published.

However, it must be remembered that Devaraja Market and Lansdowne building are constructed architecturally in a totally different manner using different materials.

Therefore, they are beyond renovation and they can only be demolished and reconstructed keeping the original architectural design and using modern construction materials like steel and cement.

Man claiming to be officer at PMO calls Chamarajanagar DC

Seeks facilities and favours for family visit to B.R. Hills; Police complaint lodged

Chamarajanagar, July 4 (SS& BCT)- A call from the Prime Minister's Office (PMO) would put any district-level officers on a high-alert mode and they will scurry to perform the duties as directed and even go to the extent of extending 'unofficial courtesies' if demanded.

One such caller, who claimed to work in the PMO, called Chamarajanagar Deputy Commissioner (DC) Charulata Somal and sought booking in the Biligirirangana Betta (B.R. Hills) Guest House. Attending the call, the DC later found that the call was fake and a Police complaint has been lodged now.

On June 27, the DC received a call from one 'Rao' who claimed to be the retired Chief Secretary from Gujarat cadre and is now performing his duties at the PMO.

Charulata Somal, DC, Chamarajanagar

He told the DC that as he is a high-level officer, he required 'courtesies' by the district officers and revealed his plans of visiting Chamarajanagar.

The officer in question told the Chamarajanagar DC that he and his family would visit the B.R. Hills on July 2 and asked the officer to arrange for his accommodation at the Guest House and also make arrangements for a jungle safari and a darshan at Biligiri Ranganathaswamy Temple and also facilities to see the Dodda Sampige tree.

The person also sent a message to the DC's WhatsApp number seeking facilities. After hearing him out, Charulata Somal asked about his designation at the PMO to which, the caller informed the DC that his designation was highly confidential as he worked for the PMO.

Suspicious by his sly and evasive replies, the DC made enquiries and checked his phone number. It was found that the number was fake and no such person was working in the PMO.

The DC later filed a Police complaint at the Chamarajanagar Town Police Station against the caller who was misusing the PMO's name to seek comfort and facilities. His mobile number has been handed over to the Police. Meanwhile, the caller, who had told the DC that he will come to Chamarajanagar on July 2, failed to turn up.

Superintendent of Police (SP) Shivakumar told *Star of Mysore* that a case has been registered based on the DC's complaint and an investigation was on.

Kodagu farmer's land sold to Mysuru man after creating fake documents

Mysuru, July 4- An agricultural land belonging to a Kodagu farmer has been sold to another man in Mysuru after creating fake documents and a criminal case has been registered against the purchaser of the land and the person, who created fake documents.

The man who bought the land and lost his money is 46-year-old H.V. Dixit, a resident of Bogadi while Papanna of Madalli village in Jayapura hobli is the person who reportedly created fake documents and sold the land of the Kodagu farmer.

Details: One Deviramma and her family members had sold two acres of their land located in Madalli Survey No. 127/2 to one M.D. Aiyanna of Bethu village near Napoklu in Kodagu on Sept. 4, 2003 and accordingly, the revenue documents were transferred to Aiyanna's name.

But on Aug. 30, 2021, the documents at the Sub-Registrar's Office showed that the sold land has been registered in the name of H.V. Dixit and S. Shivakumar instead of Aiyanna. The documents showed that Deviramma's second son Papanna had sold the land and Aiyanna, on Dec. 8, 2021, had lodged a complaint against Papanna and also against land purchasers Dixit and Shivakumar.

Dixit too had lodged a complaint against Papanna at Vijayanagar Police Station on June 1.

In his complaint, Dixit has stated that Papanna had sold the two acre land in Madalli Survey No. 127/2 to him on Aug. 30, 2021 and had got the land registered to him at the Mysuru North Sub-Registrar's Office for which he had received Rs. 10 lakh and also a cheque for Rs. 22 lakh.

Dixit has further stated that as Aiyanna had lodged a complaint against him and Papanna at Jayapura Police Station, he had asked the bank to stop payment for the cheque he had given to Papanna. Dixit has urged the Police to take legal action against Papanna for creating fake documents and selling the land to him.

Triple riding

115 cases booked on offenders in a single day

Mysuru, July 4- Mysuru City Traffic Police, who are acting tough on traffic rules violators, conducted a special drive on triple riders on July 3 and have booked a total of 115 cases on the offenders.

A press note from the Public Relations Officer (PRO), City Police Commissioner's Office, states that such drives would continue in the coming days and has urged motorists to follow traffic rules besides instructing motorists to carry their vehicle documents and Driving License (DL) while riding and driving their vehicles.

Pillion rider killed as tipper vehicle runs over

Mysuru, July 4- A pillion rider was killed when a tipper vehicle ran over him near Bogadi Road signal on the Outer Ring Road on July 1.

The deceased has been identified as Siddaramu (58), a resident of Mandya. One R. Praveen, a resident of Chamundeshwari Nagar in city, was taking Siddaramu on his Bajaj Discover bike (KA-45-Y-4359) to Mandya to get some electronic works done.

At about 9.35 am, when the duo crossed the traffic signal lights on Bogadi Road and were proceeding further, a speeding tipper vehicle (KA-42-A-7598) while overtaking the bike, touched the bike's handle resulting in Siddaramu falling to his left side and Praveen to his right side.

As Siddaramu fell to his left side, the tipper ran over him causing serious injuries to him. Praveen too has sustained injuries. Though Siddaramu was rushed to K.R. Hospital, he is said to have breathed his last mid way. The tipper driver fled from the spot leaving behind the vehicle and K.R. Traffic Police, who have registered a case in this regard, are investigating.

Ganga ruler Sripurusha's tomb restored at Mudukuthore

Yuva Brigade volunteers give facelift to historical place on banks of River Cauvery

Sripurusha's tomb after facelift by volunteers of the Yuva Brigade Mysuru Unit yesterday.

Sripurusha's tomb in a neglected state.

Mysuru, July 4 (BCT)- Western Ganga dynasty or Gangas of Talakad constitutes one of the most enduring and celebrated royal dynasties of Karnataka. The Ganga dynasty is always remembered for its contribution to the State's culture, art, sculptures and architecture. Talakad was their capital and the remnants of their rule are still visible in the form of temples and ancient stone inscriptions.

Among the Ganga kings, Sripurusha ranks among the more important rulers and was known for his military prowess. Though ample literature and historical evidence are available about his military prowess and administrative skills, many do not know that his tomb lies at Mudukuthore, a pilgrim centre situated on the banks of River Cauvery in T. Narasipur Taluk.

Sripurusha's tomb which was in a neglected state for decades has been given a facelift by volunteers of the Yuva Brigade Mysuru Unit yesterday. The stones that were scattered all over were assembled in a proper way with the help of cranes and the weeds and plastic waste around the tomb were cleared in an operation that began at 6 am.

The volunteers learnt about the bad shape of the tomb through social media posts. A team of 15 volunteers landed at the site and found that the place was used by villagers, who had little knowledge about the tomb, to defecate and dump waste. Even the Department of Archaeology, Museums and Heritage which has the responsibility of protecting such structures neglected it.

Who is Sripurusha?

Sripurusha ruled from 726 to 788 CE and according to the Javali inscription, he ruled for 62 years. Known for his military prowess, Sripurusha defeated Pallava rulers and sent back the Rashtrakutas as far as Kampli in Ballari district.

Sripurusha could implement many administrative reforms and was also known for his scholarly status. He is the author of 'Gajashastra'. He used titles such as 'Muttarasa', 'Rajakesari', 'Bhimakopa' and 'Ranabhajana' and was known to have undertaken significant irrigation projects. After Sripurusha, Gangas had to concede their absolute powers to Rashtrakutas and become their feudatories.

Structure designed and cemented

After arranging the scattered stones of the tomb with the help of a crane — after numbering them and identifying the exact shape of the tomb as existed earlier — the volunteers did the cementing work.

Yuva Brigade Mysuru Convener S. Chandrashekar told *Star of Mysore* that their 'Shramdan' lasted till 6 pm and even the surroundings of the tomb were cleaned so that people do not dirty them again.

The task was accomplished under the leadership of volunteer Chethan. District Convener Ramanuja, Taluk Convener Gopal and volunteers Tilak, Ramesh, Manju, Anil, Mohan, Subramanya, Charan, Sanketh, Nikhil and others participated.

A team of 15 Yuva Brigade Mysuru Unit volunteers taking part in 'Shramdan.'

ESComs hike power tariff

Bengaluru, July 4- In a 'current' shock for power consumers, all the five ESComs (Electricity Supply Companies) of the State have hiked power tariff with effect from July 1. The hike varies with each ESCom.

Bengaluru-based BESCom has made the highest hike of 55.28 paise per unit, while Mangaluru-based MESCom recorded the lowest hike of 38.98 paise.

The hike comes after the Karnataka Electricity Regulatory Commission (KERC) approved the proposal from ESComs seeking tariff hike in order to meet rising operating costs.

In Mysuru, CHESCom (Chamundeshwari Electricity Supply Company-CESC) has hiked tariff by 40.47 paise a unit. Kalaburagi's GESCom has hiked tariff by 39.36 paise a unit, while Hubbali's HESCom has raised tariff by 49.54 paise per unit.

Heavy rush of patients at K.R. Hospital OPD

Over 3,000 persons seeking medical care throng various counters

Mysuru, July 4 (RK&BCT)- Even as the Mysuru Medical College and Research Institute (MMC&RI) has drawn up plans to bring all outpatient department (OPD) services under one roof by establishing a new facility to decongest K.R. Hospital, hundreds of patients stand in separate queues to avail treatments daily.

Their wait extends to more than one hour during OPD hours as there is tremendous pressure on the hospital staff to cater to the needs of over 1,500 to 1,800 patients every day. The situation is worse on all Mondays as there is no OPD on Sundays.

Notably, the rush at K.R. Hospital is perpetual despite Mysuru having many other Government hospitals like the Cheluvamba Hospital, District Hospital, Trauma Care, PKTB Sanatorium, Princess Krishnajammanni Super Speciality Hospital, Seth Mohandas Tulsidas Maternity Hospital and ESI Hospital.

This morning, there were over 3,000 patients waiting in front of OPD counters. The Hospital has OPD service only from Monday to Friday and on Sunday, only the Department of Medicine has OPD with just one doctor. Rest of the working days, OPDs are open from 9 am to 1 pm and 2 pm to 4 pm.

Patients run around

As there is no single OPD block, patients are forced to move from one end to another end of the K.R. Hospital — called Doddaspathre — and some of the OPD counters can't even give OPD slips to patients due to the heavy rush. Notably, the rush in the Hospital has crossed the pre-COVID time as now there are no restrictions on patient screening.

Among the OPD counters, the demand is high for medicine, surgery, orthopaedics, casualty, minor OT, Ayushman Card counter and ophthalmology. This apart, there are counters for BPL cardholders to avail of slips that mention free treatment on them. Each counter has to handle a minimum of 250 to 300 patients and by the time the patients get their OPD slips, it is noon.

At present, the OPD rush is handled by the IPD-OPD block in Kantharaja Ward, surgical block or the stone building and there are separate counters for physiotherapy, ophthalmology and dermatology. Due to the huge crowd at the OPDs, on an average 400 to 500 admissions are made daily in the Hospital that has 1,050 beds.

Pressure high on staff

The pressure on beds is extremely high and patients have to wait for discharges to get admitted. Many opt for floor beds unable to wait for the beds as they desperately need medical attention. In many cases, all types of critical surgeries are postponed and patients are asked to come at a later date and even there is a shortage of critical equipment like ventilators.

In addition, the workload of doctors, nurses and Group D workers has increased manifold and there is a severe shortage of nurses and Group D employees too.

The parking lot of the K.R. Hospital is a mess where patients and their attendants park their vehicles wherever they are able to park. In the absence of parking attendants and security guards early in the morning and night, many outsiders attending offices and businesses too park their vehicles for the whole day and take them out after 7 pm.

Pourakarmika strike raises stink in city

(Continued from page 1)

Meanwhile, Karnataka Safai Karamchari Commission Chairman M. Shivanna has expressed hope that the workers might end their strike on Monday, July 4 as another round of talks with the Government is scheduled in Bengaluru with Chief Minister Basavaraj Bommai at 12 noon. Pourakarmika leaders N. Mara, Srinivas and Shivanna will be a part of the meeting with the CM and the delegation is led by former Mayor Narayan.

Though the CM had talks with Pourakarmika union leaders earlier, the workers are insisting that the CM must give his assurances in writing. If things don't go well in the meeting, chances are that the protest may go on beyond Monday.

No door-to-door garbage collection

Waste generated by hotels and restaurants is being cleared by the permanent Pourakarmikas while the wet waste generated at houses and apartments continued to pile up. As there is no door-to-door garbage collection, the residents are indiscriminately throwing garbage by the side of roads.

The striking workers include contractual workers, outsourced Pourakarmikas, direct payment workers, house-to-house garbage collectors, vehicle drivers and also UGD workers.

As part of the strike, the contractual workers are meeting the permanent Pourakarmikas and convincing them to join the strike. Over 150 bikes have been lined up by the contract workers to meet permanent Pourakarmikas at all the 65 wards of the MCC. Pamphlets are being given to the permanent Pourakarmikas seeking their support.

Pourakarmikas are demanding a one-point agenda that all categories of cleanliness workers, irrespective of the kind of work they do, be treated as Pourakarmikas and their employment is regularised. They are demanding a retirement benefit of Rs. 10 lakh and a pension of Rs. 5,000 for the workers, as well as healthcare and employment for the dependents.

Other main demands include housing, free education for their children, equal pay for equal work and a dignified work environment.

Bulk waste being picked up

"We have found that some of the permanent Pourakarmikas too have joined the strike and we have asked them to report back to work. Today we have sent over 150 autos across the city to collect garbage. The huge mounds of waste are being picked up in bulk by earth movers and backhoes (JCB). We will further make more arrangements to clear the garbage heaps," said **G. Lakshmikantha Reddy, Commissioner, Mysuru City Corporation.**

Eknath Shinde manages an easy floor test win

Team Uddhav files new plea in Supreme Court

Mumbai, July 4 (Agencies)- The Eknath Shinde Government comfortably passed the majority mark this morning, winning the trust vote after two weeks of political turmoil in Maharashtra.

Meanwhile, the Uddhav Thackeray faction of Shiv Sena moved a fresh petition in the Supreme Court against the decision of the new Assembly Speaker Rahul Narwekar to recognise a new whip for the party from the Team Shinde.

The floor test was held a day after the BJP's Rahul Nawrekar, a first-time MLA, was elected as the Speaker. Hours after his election, he reinstated Shinde as the head of the Legislature Party even though Uddhav Thackeray had taken action against him last week.

The new coalition Government comfortably got 164 votes in the 288-member house. The Maha Vikas Aghadi (MVA) alliance managed to get just 99 votes, days after the collapse of the Government.

Just ahead of the trust vote, two MLAs swore loyalty to the Shinde group in the last 24 hours.

MLA Shyamsundar Shinde is now with the ruling Government. Sena MLA Santosh Bangar left with Eknath Shinde faction from a hotel this morning and arrived with the rebel MLAs at the Assembly, in growing trouble for Team Uddhav. Earlier 38 MLAs were said to have sided with Eknath Shinde.

Meanwhile, the Uddhav Thackeray faction of Shiv Sena moved a fresh plea in the Supreme Court against the decision of the Assembly's new Speaker to recognise a new whip for the party. As lawyer Abhishek Manu Singhvi mentioned the matter, the Top Court listed it for hearing with other pending pleas on the Maharashtra political crisis on July 11.

In growing trouble for Shiv Sena, the new chief whip of the Shinde faction gave a petition to the Assembly Speaker today for the suspension of 16 MLAs of the party for violation of the whip. The 16 MLAs would be issued notice for suspension, a news agency quoted the Speaker's Office as saying.

Meanwhile, the Shiv Sena — the Uddhav Thackeray faction — has called a meeting of all its district chiefs today afternoon at Shiv Sena Bhavan in Mumbai. Shinde's rebellion against Uddhav Thackeray had led to the fall of the Government within 2.5 years.

The caller then collected all relevant information and also obtained One Time Password (OTP) sent to Shubhashree mobile phone and illegally transferred Rs. 50,000 from her Bank account.

In the third case, 51-year-old V. Education Dept. takes over Farooqia Girls High School as 22-year lease period ends

Staff, students and parents stage protest

Mysuru, July 4 (PM&DM)- Two days after the Education Department took over the School reportedly as per a High Court (HC) order, the students, parents and staff of Farooqia Girls High School located on Dawood Khan Street in Lashkar Mohalla staged a demonstration in front of the School this morning, strongly opposing the action of the Education authorities.

They argued that the DDPI and the BEO had illegally shut down the school premises despite the educational institution getting a stay and Injunction Order by a city Court.

Speaking to Star of Mysore, Rifa-Hul Muslimeen Educational Trust (RMET) member and School Superintendent Nabeel Mohammad Khan said that the then Government in 1992 had leased out the school building to RMET for running the school. But opposing this, some persons moved the Court by filing a PIL against the lease in 1994. After hearings in the local Court and the HC, the High Court in 2008 ruled that the option to extend or terminate the lease period rests with the Government. But there was no problems since then till a couple of months ago, when in April this year, the DDPI and the BEO suddenly asked the Trust to vacate the school premises, without any notice. Questioning the Education Department's action, the RMET again moved a city Court and succeeded in getting a stay and Injunction Order in its favour on June 30. But still, the authorities have taken over the School all of a sudden, which is illegal, Nabeel Khan claimed and urged the Education Department to hand over the School back to RMET.

Meanwhile, according to DDPI Ramachandra Raje Urs, the School premises, which was in control of an educational trust for the past 22 years, has been taken back following a Court order.

Pointing out that the premises, which is located on a 11,740 Sq.ft plot with 12 class rooms, was temporarily leased out 22 years ago to RMET for running Farooqia Girls High School and Composite Pre-University College, Urs said that after the lease period had expired several years ago, the management should have returned the premises to the Education Department. But the RMET, instead of vacating the school premises, moved the High Court seeking a stay. The HC after hearing the case, ruled in favour of the Education Department. Though years had passed since the HC ruling, the previous officials had not bothered to reclaim the School premises. Now, they wrote to the Department Commissioner and brought the issue and the High Court order to the notice of the Department. Subsequently, following directions from the Government, the Department reclaimed the School premises under tight Police security a couple of days ago, the DDPI maintained.

WORD OF THE DAY

Scintillate

Pronunciation: SIN-tuh-layt.
Meaning: Scintillate means "to dazzle or impress with liveliness or wit."
Origin: The initial spark of the verb scintillate was the Latin noun scintilla, meaning, well, "spark." The ember of scintilla in turn developed into the verb scintillāre, "to sparkle." Scintillate retains this meaning in expressing the action of gleaming, glittery things, as when jewelry or the surface of a lake in full sun scintillates. But the word can and often does mean "to sparkle" in a figurative sense — that is, to dazzle or impress with a brilliant performance — making the word apt for both celestial and cinematic scintillating stars.
Example: "Kimberly Marable's scarred Persephone, torn as Hades' consort between verdant summers above and the steamy underworld below, exudes a lust for life despite all. Her torchy vocals scintillate in 'Livin' It Up on Top,' a rousing paean to seizing every moment." — Michael Grossberg

THE ODD WORD

Saccadic

Jerky; twitching.

PHRASE OF THE DAY

Smell a rat

Meaning: When you say you 'Smell a Rat' you mean that you're picking up on something suspicious.
Origin: No one is certain when or where this phrase originated, however if you have ever smelt a dead rat in a wall, you know that the odour is horrible, indicating that something is definitely out of place. The term probably comes from the days when rats were more common, and when prize terriers were used to sniff them out and kill them.
Example: "What are you guys up to? I smell a rat."
